### **Last Call for Farm Fair KIDWAY Volunteers**

*Organizations can raise up to \$240 per day for staffing a single activity*

(Bel Air, MD – July 10, 2009) - - The 2009 Harford County Farm Fair will be held Thursday, July 30 to Sunday, August 2. Over the years, the Fair has grown to include new activities and the need for volunteers continues to increase. KIDWAY at the Farm Fair provides a variety of games for children of all ages and is an easy and fun way for groups to fundraise.

Staffing needs still exist for all four days. There are eight activities that have openings, including the highly popular face painting. A group staffing face painting can earn up to \$240 per day, or \$900 for all four days. We supply the materials for all activities and therefore all proceeds will go to your organization/group or can be donated to another organization. KIDWAY is an extremely popular way to fundraise and space is filling up quickly.

Activities are designated on a first-come, first-served basis, so contact the Division of Agriculture at 410-638-3420 as soon as possible to reserve the activity of your choice. The Fair is a Harford County summertime tradition, so don't miss out. Help at the KIDWAY - where the fun never ends!

The annual Farm Fair has been a Harford County tradition for over 20 years. Thanks to the efforts of the Fair Board, hundreds of volunteers, and the generosity of corporate sponsors, the Harford County Farm Fair is able to provide affordable family fun to the local community while promoting Harford County's agricultural heritage and encouraging youth involvement in agricultural activities, particularly through the 4-H.
